## Company Profile

Excelzia provides experiential learning programs within Australia for international students.

Our ability to mix high quality education programs with exciting and enjoyable lifestyle and cultural activities, enables students experience learning in a fun and enjoyable way. All Excelzia programs are specially created for Excelzia and delivered by globally recognised tertiary Australian education institutions.

Excelzia has the flexibility to tailor make programs to suit the school's individual requirements.

We believe that the Excelzia programs are uniquely designed to satisfy the growing demand for learning "real world" and "hands-on" skills.

Excelzia is not an Education Agent.

## Program Packages

All Excelzia program packages include the following:

- \* Transfers to and from airport to accommodation
- \* Accommodation
- \* Three meals a day + morning/afternoon tea

Tertiary Preparation

[www.excelzia.com.au](http://www.excelzia.com.au)

# Tertiary Preparation Program

Introduces students to the concepts of learning in a University environment and is an ideal opportunity for students to gain knowledge prior to commencing University.

A 3 day fast paced course designed to introduce students to an understanding of tertiary study.

- ✧ Introduces students to the concepts of learning in a University environment
- ✧ Focuses on the core differences between secondary and tertiary education methodology
- ✧ Run by one of Australia's leading Universities
- ✧ University campus tour and the chance to visit your chosen faculty

This is an ideal opportunity for students to gain knowledge prior to commencing University and enables them to begin their preparations early.

All attendees receive a Certificate of Attendance upon completion.

Study Tours

[www.excelzia.com.au](http://www.excelzia.com.au)

# Study Tours Program

Study tours offer groups of overseas students a unique educational experience that includes visiting schools, participating in classes, excursions and special events conducted in the school or local community.

These programs can run from as little as 3 days and give overseas students the opportunity to experience learning and school life by visiting government schools in Sydney or NSW.

- ✦ Make friends with Australian students via the “buddy” system
- ✦ Cultural visits, or other experiences can be included
- ✦ NSW Schools have 2,200 well equipped schools to choose from
- ✦ The school system enables individual schools to specialize in chosen fields (e.g. Music, Arts, Science, Agricultural, Robotics, Academics)
- ✦ This program goes hand in hand with Homestay style accommodation

All attendees receive a Certificate of Attendance upon completion.
